Find plans in all metal levels.

Time Insurance Company | Assurant Health is the brand name for products underwritten and issued by Time Insurance Company.

Trust Assurant Health medical plans to provide you with strong financial protection and the benefits you need.

- Coverage for preventive care, everyday care and unexpected illnesses and accidents
- Plans in all metal levels, with a wide range of deductibles, coinsurance and out-of-pocket limits
- Plans with office visit copays and prescription drug copays available
- Health Savings Account (HSA) compatible plans available
- Broad networks of doctors and hospitals

Assurant Health gives you broad network access to more than 1,000,000 doctors and 7,600 hospitals nationwide with the Aetna Signature Administrators® PPO Network

ALL PLANS ARE MINIMUM ESSENTIAL COVERAGE UNDER THE AFFORDABLE CARE ACT.
Feel secure.
We have 120 years’ of experience and an A- (Excellent) rating.²

Feel confident.
You have access to convenient resources that make health care easier to understand and help you save money.

Feel respected.
No matter your question, concern or request, you can contact us knowing we’ll treat you with respect.

1 Assurant Health is the brand name for products underwritten and issued by Time Insurance Company (est. 1892).

Get strong protection and:

**EXTENSIVE NETWORKS** of doctors and hospitals, featuring the Aetna Signature Administrators® PPO Network, which has more than 1,000,000 doctors and 7,600 hospitals nationwide, including nationally recognized premier facilities.

**Opportunities to enhance your coverage with supplemental plans,** including dental plan options for adults and families as well as plans that pay cash benefits when you have an accident or are diagnosed with a critical illness

• Dental plans pay cash benefits for checkups and treatment, and give you the freedom to keep your own dentist
• Cash benefits help you pay your deductible and other expenses after an accident-related injury or critical illness diagnosis

**Personalized assistance and support** from:
• Customer care specialists who can help you:
  — Find doctors and hospitals in your network, making it easier to save money on medical services
  — Understand how your plan works, so you can make the most of your benefits
  — Work through any issues with claims or medical billing after you receive services
• Registered nurses who can help you manage complex conditions and can serve as liaisons between you and your doctors

Not all supplemental plans are available in all states or through all distribution channels. Supplemental products are separate contracts available at an additional cost.

SUPPLEMENTAL PLANS HAVE LIMITED BENEFITS.
Get the benefits you need

All Assurant Health medical plans include the essential health benefits required in your state by the Affordable Care Act

- Inpatient hospitalization and outpatient services
- Urgent care
- Emergency services and ambulance
- Outpatient physical medicine
- Surgical centers
- Glasses and contact lenses for children
- Maternity and newborn care
- Transplants
- Mental health and substance abuse
- Home health care, 60 visits per year
- Subacute rehabilitation and skilled nursing facilities, 30 days per year

Preventive care paid at 100%

To help you prevent illness and diagnose any existing conditions as early as possible, we encourage you to use your preventive care benefits such as routine exams, mammograms and child immunizations.

Your Assurant Health plan pays 100% of preventive services recommended under the Affordable Care Act when you use in-network doctors. That means you won’t pay any deductible, copay or coinsurance for covered preventive services like these:

- Women’s health
- Annual eye exams and dental checkups and cleanings for children under age 19
- Flu immunizations for children and adults

Learn more about pediatric dental and vision benefits and how they work. Visit assuranthealth.com/pediatric for details.

The deductible and out-of-pocket maximum shown are for an individual. The family deductible and out-of-pocket maximum are 2X the individual amounts and can be met collectively by two or more family members. With a family plan, you get this advantage:

- We’ll pay benefits for a family member once the family member meets the individual deductible. And then, we’ll pay at 100% for the family member once the family member meets the individual out-of-pocket maximum.

Plans have an ER access fee of $100. Remaining amounts are subject to plan deductible. ER access fee is waived if you are admitted into the hospital.

The deductible and out-of-pocket maximum shown are for an individual. The family deductible and out-of-pocket maximum are 2X the individual amounts and can be met collectively by two or more family members. With a family plan, you get this advantage:

- We'll pay benefits for a family member once the family member meets the individual deductible. And then, we'll pay at 100% for the family member once the family member meets the individual out-of-pocket maximum.

Plan has an ER access fee of $100. Remaining amounts are subject to plan deductible. ER access fee is waived if you are admitted into the hospital.

### Dental Benefits for Children under the Age of 19

- **Checkups and Cleanings**
  - We pay 100%; not subject to deductible

- **Basic Services**
  - Subject to deductible and coinsurance

- **Major Services and Orthodontics**
  - Subject to deductible and coinsurance

### Vision Benefits for Children under the Age of 19

- **Annual Eye Exams**
  - We pay 100%; not subject to deductible

- **Glasses/Contacts from Designated Providers**
  - Subject to deductible and coinsurance

### Services from doctors and hospitals that are not in your network may be subject to limitations.

1 Many specialty pharmaceuticals are paid according to medical plan benefits, not prescription drug benefits.

This product reference guide provides summary information. Please refer to the insurance policy or ask your agent for a complete listing of benefits, exclusions and terms of coverage.

Out-of-pocket maximum includes deductible, coinsurance, office visit copays, prescription deductible and copays, and any applicable access fees. We pay 100% once you meet the out-of-pocket maximum.

Special eligibility criteria apply for the Catastrophic plan. You must be:

- Age 29 or younger or
- Age 30 or older and have received a certificate for a hardship exemption obtained from your Marketplace.
Terms and provisions

RECEIVING ANCILLARY SERVICES
As long as you use hospitals and admitting physicians that are part of your network, your covered charges will be handled as in-network services. When affiliated physicians and other health care providers (e.g., radiologists, anesthesiologists, pathologists or surgeons) are not part of your network. All charges are subject to the maximum allowable amount.

EMERGENCY CARE BENEFIT
In emergency situations, covered charges will be handled as in-network services. However, your charges may be handled in any manner where services are performed. All charges are subject to the maximum allowable amount.

OUT-OF-NETWORK SERVICES
If you use a doctor or hospital that is not part of your network, you will not receive network discounts and you may incur additional expenses. For instance, office visit copayments are not accepted by providers who are not part of your network, and the services will be handled as any other out-of-network service, subject to the maximum allowable amount.

MAXIMUM ALLOWABLE AMOUNT
The maximum allowable amount is the most your plan pays for covered services. If you use an out-of-network provider, you are responsible for any balance in excess of the maximum allowable amount.

MEDICALLY NECESSARY CARE
To be covered, treatment, services and supplies must be medically necessary.

UTILIZATION REVIEW
Authorization is required before receiving certain types of inpatient and outpatient treatment. Failure to authorize services for transplants and specialty pharmacy will result in a reduction of coverage.

SPECIALTY PHARMACEUTICAL DRUGS
Charges for specialty drugs must be obtained from a designated specialty pharmacy provider as designated by Assurant Health to be considered at the in-network benefit level. Charges for specialty drugs obtained from a provider other than a designated specialty pharmacy provider will not count toward the annual limit and are subject to the applicable in-network benefit level.

DIABETIC SERVICES
Eye exams are limited to one exam on both eyes per calendar year, and foot exams are limited to two exams on both feet per calendar year.

PEDIATRIC DENTAL AND VISION BENEFITS
Dental benefits are limited to one exam every six months. Eye wear benefits consist of a choice of one pair of glasses (frames and lenses) or an annual supply of contact lenses per calendar year.

RENEWABILITY
Coverage is renewable provided there is compliance with the plan provisions, including dependent eligibility requirements; there has been no discontinuation of the plan by Assurant Health’s business operations in this state; and/or you have not moved to a state where this plan is not offered. Your premium may be increased upon renewal and also may be adjusted based on age, addition or removal of dependents, and plan design.

Exclusions
We want you to understand your plan and your coverage. To help you do that, here is a summary of what is not covered by your plan. Complete details are included in your insurance contract. No benefits are provided for the following, except where state mandates apply:

- Treatment not listed in the Covered Medical Services provision
- Complications of an excluded service
- Charges reimbursable by Medicare, Workers’ Compensation or automobile insurance carriers, or expenses for which other coverage is available.
- Charges billed by a non-participating provider that waives the covered person’s payment obligation but fails to provide any copayment, coinsurance and/or deductible amounts for the billed treatment, services, supplies or drugs, except as provided for under contract or agreement with us.
- Charges caused by or contributed to by war or any act of war.
- Illness or injury caused by or contributed to by voluntary attempts to commit, or take part in or commission of a felony, whether or not charged.
- Charges for routine dental or orthodontic treatment, drug, service or supply for persons 19 years of age and older.
- Routine hearing care, vision therapy, surgery to correct vision, foot orthotics, or adult routine vision and foot care unless part of routine diabetic treatment.
- Except as provided in the Medical Benefits section, any correction of malocclusion, protrusion, hypoplasia or hyperplasia of the jaws.
- Treatment of “quality of life” or “lifestyle” concerns, including but not limited to obesity, hair loss, or cognitive enhancement unless otherwise required by law.
- Cosmetic services such as chemical peels, plastic surgery, and medications.
- Prophylactic treatment.
- Charges for non-medical items.
- Charges for custodial care, private duty nursing or phone consultations.
- Growth hormone stimulation treatment to promote or delay growth.
- Charges for sex transformation, treatment of sexual dysfunction or inadequacy or to receive sexual performance or desire.
- Charges for umbilical cord storage; genetic testing, counseling or services.
- Charges for diagnosis and treatment of infertility or surrogate pregnancy.
- Chelation therapy.
- Charges for testing and treatment related to the diagnosis of behavioral conduct or development problems, educational training or training, educational, vocational or work hardening programs, transitional living or services provided through a school system.
- Charges for alternative medicine, including acupuncture, biofeedback and naturopathic medicine, except as covered in habilitation and rehabilitation services.
- Drugs not approved by the FDA; drugs that are illegal under federal law such as marijuana; drugs dispensed in an outpatient setting other than a pharmacy.
- Charges by a medical provider who is an immediate family member or who resides with a covered person.
- Charges in excess of any stated benefit maximum.
- Experimental or investigational services.
- Charges related to health care practitioner-assisted suicide.
- Charges for over-the-counter drugs (unless recommended by the United States Preventive Services Task Force and authorized by a health care professional).
- Oral antibiotic therapy.
- Charges for medical devices designed to be used at home, except as otherwise covered in the Medical Benefits section of the contract.
- Charges for treatment, services, supplies or drugs provided by or through any employer of a covered person or the employer of a covered person’s family member.
- Charges for treatment, services, supplies or drugs provided by or through any entity in which a covered person or a covered person’s family member receives, or is entitled to receive, any direct or indirect financial benefit.
- Charges for Retin-A (tretinoin) and other drugs used in the treatment or prevention of acne, rosacea or related conditions for anyone age 30 or older.
- Charges for devices or supplies, except as described under a prescription order.

Exclusions for pediatric dental and vision benefits

- Charges for viral culture; saliva analysis, including chemical or biological diagnostic saliva analysis; caries testing; adjunctive pre-diagnostic testing; electronic diagnostic modalities; occlusal analysis; muscle testing.
- Charges for classification procedures; special stains, either for or not for microorganisms; immunohistochimical stains; tissue in-situ hybridization.
- Charges for electron microscopy; direct immunofluorescence; consultation on slides prepared by another provider; consultation with slide preparation; accession transphiladelphia; TMJ dysfunction arthrogram and other TMJ dysfunction films; tomographic surveys; Cone Beam CT, Cone Beam multiple images 2 dimension, and Cone Beam multiple images 3 dimension.
- Charges for instruction on oral hygiene.
- Charges for screw retained surgical replacement; surgical replacement with or without surgical flap; TMJ disorder appliances and therapy.
- Sinus augmentation with bone or bone substitutes; appliance removal; intraoral placement of a fixation device; appliances for tooth movement or guidance; removal of fixed space maintainer.
- Charges for gold foil surfaces; provisional crown(s); post removal; temporary crown(s); coping; endodontic implant; intentional re-implantation; surgical isolation of tooth; canal preparation; anatomical crown exposure; splitting; either intraoral or extracranial; complete interim denture, either upper or lower; partial interim denture, either upper or lower; precision attachment; removable precision attachment; fluoride gel carrier; custom abutment; provisional pontic; interim pontic; interim retainer crown; connector bar; stress breaker.
- Charges for equilibration, periodontal splitting, full mouth rehabilitation, restoration for misalignment of teeth, or other orthodontic services that restore or maintain occlusal or altered vertical dimension.
- Charges for orthodontic services and supplies that are for cosmetic purposes or are not medically necessary; repair of damaged orthodontic appliances; lost or missing orthodontic appliances or replacement thereof; retention of orthodontic relationships.
- Charges for visual therapy.
- Charges for two pairs of glasses in lieu of bifocals; nonprescription (plano) lenses; lost or stolen eyewear; insurance premium for contact lenses or glasses; replacement lenses within the same calendar year.
